As a donor to the Bucks County Symphony Orchestra, you are keeping **live music** thriving in Bucks County. As he has begun his third season with the BCSO, Maestro José Luis Domínguez continues

to inspire our orchestra and community with exceptional repertoire and music of the highest quality. The 2024-2025 season continues to showcase excellence in **live performances**, highlighted by our free outdoor concert for the community in June 2025. This concert will be part of the Thompson Performing Arts Series at Central Park in Doylestown Township.

Your donation will directly support our non-profit orchestra, as ticket sales account for only about 20% of the revenue needed to keep **live music** flourishing in Bucks County. Additionally, donations help support our musical performances AND outreach:

- Six concerts will be presented in the 2024-2025 season, including the free outdoor concert.
- Three classical concerts include soloists who have won numerous international competitions and performed on stages worldwide.
- Our Pops Concert, *Musical Gems from the Silver Screen*, will involve a collaboration with the County Theater.
- The BCSO youth outreach will impact more than 2,000 students during this concert season, including masterclasses, scholarships, a concerto competition, free attendance at concerts for all students, and an introduction to orchestral music for all Central Bucks School District 3<sup>rd</sup> graders.

Your donations help us fulfill our mission, “Sharing the joy of symphonic music through **live performance** and educational outreach.” Please complete the enclosed envelope and send with your check, or donate online at [BucksCountySymphony.org/support/donate](https://BucksCountySymphony.org/support/donate).

Thank you for being such an important patron of the Bucks County Symphony Orchestra!

Sincerely,

Beth Clark  
 Board President
